

Christian, are you prepared to survive the Great Tribulation?

"Christian, why is this country in its present trouble and distress? The world has rebelled against God and His punishment is being poured down upon them. In this country rebellion has reached a level never before seen in Christian history. In the past twenty years I have personally witnessed an unholy exchange in America, which has deeply grieved me as a follower of Christ. The dependence on God has been exchanged for self-help. The sufficiency of God has been exchanged for counseling from the professional psychologist, which is the new world religion in disguise. This new world religion is leading the world to put their trust in man to solve his emotional and psychological problems instead of trusting in God exclusively.

The Lord said..."My grace is sufficient for you, for my power is made perfect in weakness." (II Co. 12:9) God's grace is sufficient to see us through any difficulty. Jesus said, "And I will ask the Father, and He will give you another Counselor to be with you forever." (John 14:16). There is no better counselor than the Holy Spirit. The Apostle Paul said, "I myself am convinced, my brothers that you yourselves are full of goodness, complete in knowledge and competent to instruct (counsel) one another." (Romans 15:14) And if that were not enough, "His divine power has given us everything we need for life and godliness..." (II Peter 1:3) Only Spirit filled believers who trust in the sufficiency of God and who resist the integration of godless psychology are qualified to counsel you.

Faith in God as the Divine Healer has been exchanged for dependence on drugs and the medical practitioner, who sanctions the intervention of psychology.

"Is anyone sick? He should call the elders of the church to pray over him and anoint him with oil in the name of the Lord. And the prayer offered in faith will make the sick person well; the Lord will raise him up. If he has sinned, he will be forgiven." (James 4:14-15) Confess your sins one to another and trust in God to bring about healing. Because of a lack of faith many rush forward to take prescription drugs to treat the symptoms while ignoring the horrendous side effects which in most cases leave you worse off than before. It's a tragedy that most medical doctors have become little more than drug pushers and agents of referral to psychologists.

Dying to self has been exchanged for increasing your self-esteem – a major doctrine of psychology.

"For we know that our old self was crucified with Him so that the body of sin might be done away with, that we should no longer be slaves to sin". (Rom.6:6) Paul said, "I have been crucified with Christ and I no longer live, but Christ lives in me..." (Ga. 2:20) If Christ has made you into a new creation and lives in you, then how can you go after fallen Babylon and be concerned about building your self-esteem? What you need is more of the Holy Spirit and less of you! Building your self-esteem is antithetical to God being formed up in you. "For whoever exalts himself will be humbled, and whoever humbles himself will be exalted." (Matthew 23:12)

And God's structure for the home has been exchanged for social intervention, and its perverted teachings of psychology.

"Train a child in the way he should go, and when he is old he will not depart from it." (Proverbs 22:6) "Do not withhold discipline from a child; if you punish him with the rod, he will not die." (Proverbs 23:13) "For the husband is the head of the wife as Christ is the head of the church, his body, of which he is the Savior. Now as the church submits to Christ, so also wives should submit to their husbands in everything. Husbands love your wives, just as Christ loved the church..." (Eph. 5:22ff) Men let's resist social intervention by loving our wives the way Christ loved the church and raise our children in the fear of the Lord. Fallen Babylon can add nothing to the structure of a Christian home.

The world has tragically exchanged the truth for a lie and entered into open rebellion against God.

When the Church also follows this same path of unchecked rebellion against God she becomes the lukewarm church spoken of in the book of Revelation. Her witness to a dying world will all but cease. No more revivals, no more saw dust trails, and fewer crusades have weakened the church. Watered down preaching and the introduction of secular psychology has lessened the effectiveness of gospel preaching. And as the world slips deeper into the abyss of gross immorality with the church not far behind, the modern day prophets are proclaiming that all is well and the church can expect a secret rapture to deliver them from this evil world. But what does God say? Will God really deliver the lukewarm church prior to the Great Tribulation or will He allow her to go through the Great Tribulation to strengthen her faith and cleanse her of all unrighteousness? "God uses trials and tribulations in the believer's life to remove the barnacles of the old sin nature... He uses the powerful storms of life to strengthen your faith and dependence on Him. Only a lukewarm church that has been essentially free from persecution will fabricate the secret rapture to whisk them away in the nick of time to escape the Great Tribulation." (*Final Warning*, Daniel W. Blair) Great trials and tribulations have always been the seeds of the church. Why would God expect anything less in the last days? When Christ returns in magnificent glory to punish those who are disturbing you and to rapture His Church at the end of the age, will you be ready?

If you are in rebellion against God then let me encourage you to repent today and receive the love of Jesus Christ. He will forgive your sins through faith in Him as the Son of God and will open your eyes to what is happening in the world. For this reason God has given me this little book of prophecy to sound the warning and help you to prepare for what lies ahead. The book *Final Warning* exposes the powerful and deceptive new world religion promoted by the Antichrist. It opens your eyes to the unseen forces who are directing those in power to destroy the world while keeping most of humanity in bondage to its new world religion.
